Officer and Managing Partner CEO/COO/CSO

Panorama Consulting Group

Startup, Digital & Transformation, M&A and Turnaround

Panorama Government Solutions, LLC

Government, NGO, Global Development, Tech Sector

Vanessa co-founded a financial services firm and served as a turnaround executive for two additional firms. She began her career in the late 1990s, serving as President & CEO of a *de novo* banking platform. She formulated and executed the corporate strategy successfully targeting a multi-national Hispanic market and grew the company from 36 employees to over 300 employees while maintaining profit margins and diversifying the company's sources of revenue within 36 months.

Currently, she is the co-founder of Panorama Government Solutions. She served as a policy advisor to Heads of State and administrators of nations, cities and regions worldwide to develop and implement strategies for effective economic, political and enhanced citizen engagement and interaction. Finally, she launched Panorama's M&A Integration Practice to leverage Panorama's ERP and enterprise digital and business transformation expertise. With a strong financial, digital and political acumen, Vanessa is paving the way for many socio-economic projects around the world and affecting change to have a greater humanitarian impact on society.

Vanessa has advanced graduate certificates from Harvard School of Business, Graduate School of Political Management at George Washington University, holds a B.S. from the University of California at Berkeley. She serves on both private and public sector boards, including Water for People, Global Chamber of Commerce, Rocky Mountain Venture Club, Pacific Mutual REIT and ECS Software Company.
