BOARD MEMBER PROFILE

Teresa Van De Bogart is a proven and respected leader in a global fortune 500 CPG company. Her ability to lead different functions from accounting to finance to procurement and finally IT is rooted in her ability to set an exciting vision, engage and develop her employees, and drive results. She believes in driving improvements without losing sight of the importance of fundamentals such as controls and governance.

Experience & knowledge highlights include:

- ✓ Global leader of IT solution delivery organization and portfolio management office
- ✓ Best practice leader of project execution
- ✓ Development of a corporate center strategy
- ✓ Leader of multiple large, global and complex SAP implementations
- ✓ Revamped strategic sourcing department responsible for over \$ 1 billion of spend
- ✓ Implemented Sarbanes-Oxley processes and controls in multiple functions

Board Experience

- ✓ Colorado Women's Chamber of Commerce BOD member for 5 years including roles as BOD chair, Vice-Chair and Secretary. During tenure, worked with 3rd party firm to rewrite by-laws, establish greater role clarity with Chamber CEO and Board, and establish improved governance. Additionally, led compensation committee, succession planning, and audit committee.
- ✓ Women's Leadership Foundation BOD member for 3 years including BOD chair. Led change to foundation purpose to focus on educating and mentoring prospective women for board positions.
- ✓ Prepared both CEO and CFO board presentations for Coors Brewing Company during role director of planning and forecasting. Acknowledged for delivering "no surprises" through transparency and process improvements to forecast accuracy resulting in 12 quarters of meeting analyst's expectations.

International Experience and Corporate Interests

- ✓ Implementation of global systems requiring alignment across multiple stakeholders from various backgrounds and cultures.
- ✓ Founder and co-owner of the VX, a start-up focused on mentoring and connecting women to boards and board resources.
