---

Jane Everhart is an accomplished senior executive with over 25 years of experience in financial management, including 18 years as a CFO and 5 years as COO for high-growth, entrepreneurial companies; she also has served as a private company board member for 7 years. She has a distinguished track record in a range of business environments and industries with expertise in product manufacturing and distribution, retail, commercial construction, and real estate development and investment.

Jane currently serves on the Board of Directors at Brinkman Construction, a \$200M Commercial General Contractor. She is Audit Committee Chair and the Qualified Financial Expert and provides her expertise guiding the company in setting strategy, policy and governance. Her corporate governance specialties include accountability, transparency, leadership and social responsibility. In addition to her private board role, Jane also sits on the Board of Directors for the OtterCares Foundation, a non-profit arm of OtterBox Inc. committed to inspiring children to change the world through entrepreneurialism and philanthropy. Jane holds the treasurer position of OtterCares.

Jane has helped companies achieve incredible success by propelling growth, profits, and culture. Throughout her career at OtterBox, Gorsuch Ltd. and Brinkman Real Estate and Construction, Jane has navigated tremendous domestic and international growth, resulting in profit increases from 35% to 300% during her watch. She excels in high energy, fast paced environments where she develops and executes financial and operational strategy, builds high-performing teams while emphasizing core values and using culture as a competitive advantage.

Jane is the current CFO and COO at Brinkman Real Estate and CFO for Brinkman Construction, a strategic alliance partnership. As a member of the executive leadership team, she leads by example coaching others to build elite, trust-based organizations with integrity, a cohesive vision and cross-functional collaboration. At Brinkman/Brinkman Construction Jane has been an integral executive by helping the company navigate growth and facilitate profitability by addressing all aspects of business including finance and accounting, human resources, technology, risk management and communications.

Jane holds a BS in Business from the University of Colorado Denver, magna cum laude. She is a Paterson Center Certified Strategic Operating Plan Facilitator and a graduate of the Women's Vision Leadership Institute. In 2017, Jane was named a Woman to Watch Leader by the Colorado Society and American Institute of Certified Public Accountants.
